... reflections are the thoughts
that link us to our past,
and the ideas that guide us to our future ...

Illuminatio 1979 is dedicated to all
those who have made the memories.
These memories are the reflections
of the way we were, the way we are
and the way we will be. The
Illuminatio is a reflection of
ourselves.

To Traci,
a very special
and fun friend.
I Hope We can
be friends forever.

I stood, one day, close by the sea
As gentle winds did blow
And in one spot of glassy green
Windows I did behold.

Inside the first, I saw a clock
Unmoved by Father Time
And in these moments I did think
Of life in high school's prime . . .

Recollections

Hi Jaci, How are you doing? Fine I hope. This year has really been one that I will remember. You are a really nice and sweet person. You have great ambitions, especially to be a tennis player and I respect that in you. I hope we become closer friends thru the summer and even next year. I hope you come back next year, because you are a very sweet friend. See ya next year and keep in touch.

RECOLLECTIONS ...

In future years there will be many things which we will recollect. People, places and events - they all figure largely in our high school years. Some of these memories will be happy and some sad, nonetheless they will all be memories.

To Trace,

Although we just met this year
I'm glad that we've been friends.

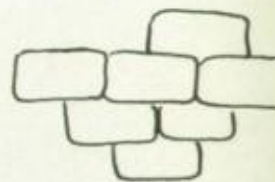

We've been through a lot together
e.g.: Reece, Ronald, Virgil, Cecil, Adam, Jake,
Bobby, Billy, Dwayne, Jody, and Mr. Crampton,
Mr. North Elaine, Mr. Jones, Mr. Laidler, and
all the others. Well as for all the fine guys
in world more power to us! If you return
next year we'll continue our friendship.
Best of Luck over the summer if you know
what I mean. I've got to go now.

To Trace,
You're probably
thinking I'm out
to get you, well you're
correct. I'm out to get
you thinking again!
You mouth (voice) is as
loud as you are tall
(not really an insult). I
hope to see you in
the big tennis matches next
year. Keep on swinging!

THE BEGINNINGS...

Four beginnings, each totally different.

Freshman Year: a new beginning, exploring new frontiers.

Sophomore Year: finally a part of the community, changing and growing.

Junior Year: beginning to lead, upperclassmen at last.

Senior Year: becoming adults, making lifetime decisions.

THE HARD TIMES . . .

*At S.M.A., we take the good
with the bad and
the easy
with the hard.*

*... semester exams
... waiting in the lunch line
... taking lecture notes
when you're half asleep
... avoiding the teachers when you
are out of uniform
... watching the scoreboard
when we're loosing
... figuring out what $2x-y=$...*

*But the hardest thing of all is trying to
figure out what is really hard at S.M.A.
becuase after all it's really a nice place
to be.*

FAY MARIE WEDDABURNE

I like St. Mary's because of my friends and classmates, but a lot of things could stand some improvement.

MICHELLE LYNNE WEST

A thing of beauty is a joy forever: Its loveliness increases; it will never Pass into nothingness.

Keats

MONIQUE MARIE WHEELER

KARYN ANNE WILLIAMS

There is a moment; share it with me. Experience it forever.

DIANNE LOUISE WILTZ

In the midst of Winter, I finally learned that there was in me an invincible summer.

JILL LYNN WINEGAR

People are lonely because they build walls instead of bridges.
-Joseph Newton-

CARLA RACHELLE WOODARD

You have given me life, love, and joy. You have given me strength to carry on and made me someone. Thanx Mom, Dad, Todd, and Mark.

BRIDGET SUE WOODSON

Life itself can't give me joy
Unless I really will it.
Life just gives me time and space.
It's up to me to fill it.

D'ANDREA DENISE WRIGHT

We fight and die, but our hopes beat high,
In spite of the toil and tears,
For we catch the gleam of our vanished dream
Down the path of the untrod years.
-W.K. McFarlang-

SENIORS NOT PICTURED ABOVE:
